Dandruff is a contagious disease caused by a microbe.

Newbro's Herpicide
The ORIGINAL remedy that "kills the Dandruff Germ."
Like the Pardon
Newbro's Herpicide can come too late.
If the dandruff microbe has destroyed
the hair follicles and left the scalp
bald and shining all remedies are
worthless. But, like the pardon, if
Herpicide comes while life still re-
mains in the follicles, the hair is
freed from disease and begins its nat-
ural growth again. Don't neglect
dandruff or falling hair. Wonderful
results follow the use of Herpicide.
It is an exquisite hair dressing. Stops
itching of the scalp instantly.

GOING! GOING!! GONE!!!

A Mean Insinuation.

Mr. Payne-Dora's an awfully poor
shot. She was out yesterday and nearly
killed young Sweetman. But he had
her portrait over his heart, and that
stopped the bullets.
Mrs. Payne—Don't wonder, my dear.
It would stop a clock.

**LUAU AND DANCES
AT HAWAIIAN HOTEL**

The Royal Hawaiian Hotel is plan-
ning a very novel entertainment for
the tourists on Friday next, in the
shape of an old time luau, or native
feast, with gourd beaters and dancing
girls. Several of the most graceful
dancers in the Hawaiian Islands have
been engaged. The Kawaihau Glee
Club will play during the luau, and af-
terwards for a general dance on the
open lanai.
A number of the guests of the Ha-
waiian who intended leaving on the
Sonoma, have remained over in order
to partake of the luau and see some
of the native dancing. All tourists in
the Islands as well as the townfolk
are cordially invited to attend. Reser-
vations and tickets can be obtained at
the Hawaiian Hotel office. As the
modest charge of two dollars will cover
the feast, native dance and public
dance afterwards, an opportunity is
here offered to see something of the
old and picturesque at a nominal fig-
ure. The management of the Hawai-
ian deserves great credit for their ef-
forts to entertain the tourists.

GYMNASIUM ENTERTAINMENT.
The Hawaiian Woman's Club will
give an entertainment consisting of a
farce—"No Cure, No Pay," and music
at the Kamehameha Manual gymna-
sium, on Saturday evening, March 25,
at 8 o'clock.
Object—To raise money to help sup-
port a district nurse in this city.
Tickets on sale, beginning Monday,
March 20, at Chambers' Drug Store,
corner Fort and King streets.

ard Trent on furnishing a \$2500 bond.

The Cristobal Soler will commence
discharging the nitrate at once. Two
hundred tons per day will be taken
out. In something over a week the
vessel will get away for Puget Sound,
perhaps with a cargo from this port.
In the Sound she may be loaded with
lumber for the Chilean trade.

Captain Hahn reports fine weather
all the way up—too fine, in fact, for
as he said, there often was not enough
wind to notice, and he got becalmed
a great many times. The only vessel
spoken on the voyage was the German
bark Antuco, now taking on ballast at
Hackfeld's wharf. The Antuco was
sighted about 500 miles from Honolulu.
Heavy seas were encountered several
times, evidently the tail-end of the nu-
merous storms reported on the last
few days.

SENATE.

(Continued from Page 1.)
Kona Orphanage, asked for an ap-
propriation of \$2,400 to carry on the
institution for the biennial period.
The Judiciary Committee reported
on the pawnbroker's bill, finding it a
good one. The same committee re-
ported on the livery bill. Dickey did not
concur in the latter report.
The Conference Committee reported
on House Bill 43 with regard to the pay
for citizen labor, recommending that
pay be fixed at a minimum of \$1.50 in
Honolulu and \$1.00 in the outside dis-
tricts. Dickey spoke against the bill
and moved that the report be tabled.
McCandless said that the high rate fixed
would effect that fewer men would
be employed and would cause suffering
among the workmen. Action was
on motion by Achi deferred until 2
p. m.

At this time the Chaff stated that
he was not satisfied with the way the
committees were handling bills. Some
bills were being held by committees
for a disgraceful time.
The Judiciary Committee reported
on House Bill 84, favoring it with
some amendments.
Executive Session.
The Chair stated that there would be
an executive session of the Senate at
2 o'clock this afternoon to take up the
message of the Governor regarding the
recess appointments, as it was proper
that the full number of Senators be
present to discuss this matter.

The Forestry bill passed third read-
ing unanimously.
Parole Act Deferred.
The act providing for the parole of
prisoners came up for third reading.
After it had been read Dickey said
that he wanted to consult with the
Governor on the bill and asked that
action be deferred, which was done.

The House bill relating to court
costs was referred to the Judiciary
Committee. The same was done with
the House bill relating to dower. The
usury law was referred to the Ways
and Means Committee.

The pawnbroking bill passed third
reading with the amendments propo-
sed in the report of the committee.
The livery bill came up for second
reading, but was referred to the Re-
vision Committee.

The House bill relating to judg-
ments, executions and new trials passed
second reading. Will be read third
time tomorrow.

There being no further business be-
fore the Senate a recess was taken
until 2 p. m.

DEFINED

A society woman is one who having
a choice between a church social and a
show, goes to a dance.
An average woman, is one who hav-
ing a choice between giving \$25.00 to
charity or buying a new \$25.00 stove,
buys a \$25.00 Easter bonnet. A Ho-
nolulu woman is one, who having her
choice of a pair of our "Fit-Easy" Ox-
ford Ties, at \$3.50, a pair of our Hanan
\$4.50 Newport Ties, and a pair of our
Grecian strap slipper at \$5.00 decides
to buy all three.
Moral, be a Honolulu woman and be
wise.
